UTC South Durham Aycliffe Business Park DL5 6AP	8.10am	2.30pm	4.30pm

Transport Costings

- UTC South Durham currently provides six different routes* to UTC for students to use. These are provided by a mixture of local coach companies, national bus companies and our own mini bus. The routes have been developed to enable students to access the UTC from across the North East region.
- ***It costs, on average £2000 per student, for our transport to run. The UTC currently subsidise these routes with a contribution of £900 per student. This reduces the cost to you down to £1100 in 2025/26.***
- ***IMPORTANT: As transport costs continue to rise and school budgets continue to be stretched, the contribution level made by the UTC must be reviewed annually. The cost to you is communicated by 1st June each year, for the next academic year.***
- The cost will be £1100 for 2025/26 which is less than £2.90 per journey. This amount is payable annually or termly in advance.
- The cost of the bus is for a seat for the academic year, it is the same price for years 10, 11, 12 and 13 as we are unable to sell seats on the bus for the last month after exams have finished.
- Y10 and Y11 pupils entitled to Free School Meals may receive a discounted rate, please contact transport@utcsouthdurham.org for more information.
- Y12 and Y13 students may be eligible for financial support through Bursary support. To apply for 6th Form Bursary, please click [here](#).

*Please note, these routes are subject to minor changes each year and are finalised in July.

FAQs

For anything not covered below, please email transport@utcsouthdurham.org

Q. Do I need to fill out a form for each student attending UTC?

A. Yes, a form needs to be completed for each student wanting to access transport. The form will be issued on April 28th 2025

Q. Is the place for the whole year?

A. Yes, we only offer places for the whole academic year, not part of the year.

Q. When will I find out if my child has a place on the transport?

A. All places will be confirmed before the end of the summer term.

Q. Can I still apply for a place if I have an outstanding balance on my transport account?

A. Unfortunately, if you have an outstanding balance on your current transport account, you will not be eligible for a place in September 2025. If all payments are currently up to date, you can apply.

Q. When is the deadline to apply?

A. Applications will remain open, however, places will be allocated from 6th June 2025.

Q. Will the routes change?

A. There may be some very small changes to the routes. If there are any, these will be confirmed in July 2025.

Q. Does completing the booking form, guarantee my child a place on the transport?

A. Unfortunately, it does not guarantee a place, although we anticipate in being able to accommodate over 96% of students.
